In re Application of  
James R. Del Signore, II, et al.  
Application No. 09/770,478  
Filed: January 29, 2001  
Attorney Docket No. 230 P 051

: DECISION GRANTING PETITION  
: UNDER 37 CFR 1.137(f) AND NOTICE  
: RESETTING PERIOD FOR REPLY TO  
: FINAL OFFICE ACTION  
:

This is a decision on the petition filed July 29, 2002, to revive the instant nonprovisional application under the unintentional provisions of 37 CFR 1.137(f).

The petition is **GRANTED**.

The instant non-provisional application is the subject of an application filed in a foreign country on December 6, 2001. However, the U. S. Patent and Trademark Office (Office) was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant to 35 U. S. C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

The instant petition has been found in compliance with the 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days as provided by 35 USC 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 USC 122(b)(2)(B)(i) has been rescinded. A Corrected Filing Receipt which sets forth the projected publication date of November 28, 2002 accompanies this decision on petition.

**There is no indication that a reply to the Office action of May 31, 2002 has been filed. Accordingly, the period for reply to that Office action is restarted with the mailing date of this decision. Extensions of time pursuant to the provisions of 37 CFR 1.136(a) are permitted. Failure to timely reply within the period restarted by this decision will result in the abandonment of this application.**

Telephone inquiries concerning this decision should be directed to Marianne Morgan at (703) 306-3475.

The application file is being forwarded to Technology Center Art Unit 2816 to await a reply to the final Office action, the period of which is restarted to run from the mailing date of this decision on petition as noted above.
